**AFOM Caring for all in our Community**

Do you know of anyone having problems with Depression, Anxiety, Posttraumatic Stress or other mental health problems?

Have you, or they encountered trauma, difficult working conditions or financial problems due to the economic or other reasons ?

Find out how our Community can help. Let us know what you think our Community should be doing.

Come to our Invisible Wounds Day and see what services and help are available.

Find some clues how to live and help people who have mental health problems.
